Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 19 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and cloudy, but windy. Mild.

Today:
A cloudy and breezy morning, with outbreaks of drizzle over the hills. Turning brighter through the afternoon as winds start to ease. Any drizzle should also ease by the evening, but still a windy over the Peak District. Mild. Maximum temperature 14 deg C (57 deg F).

Tonight:
Cloudy through the evening and overnight, with any remaining patchy rain or drizzle on hills soon easing. Staying windy over the Peak District. Minimum temperature 7 deg C (45 deg F).

Saturday:
Generally cloudy, mild and breezy. Some spots of drizzle are possible again especially over the hills. Thickening cloud and heavier outbreaks of rain into the north by the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Sunday to Tuesday:
Overnight cloud and rain clearing Sunday morning, then bright but cold with scattered showers and brisk northerly winds. Dry, cold and mostly cloudy Monday. Dry again Tuesday, less cold.
